

COPENHAGEN

HOME

Update your bedroom with Copenhagen Home's stunning collection of trend-led duvet cover sets and plain-dye sheeting. Inspired by modern day living and designed for the busy household.

Produced using our easy-care polycotton blended fabric, which is ethically sourced using sustainable BCI cotton, is delightfully simple and easy to launder.

Effortlessly stylish & affordable.

The background of the entire page is a dense, overlapping pattern of stylized tropical leaves. The leaves are in various shades of green, from light sage to dark forest green, and some are a soft blush pink. The leaves have different shapes, including large monstera-like leaves with holes and long, pointed palm fronds. The pattern is layered, creating a sense of depth.

Tropicana

Escape to tropical lands with our Tropicana bed sets. Combining shades of soft blush pink, varying shades of green and eggshell blue with a simple dash reverse.

Stockholm

Our Stockholm textured bedding is perfect for a simple yet stylish finish in your bedroom. The easy-care construction and design allows for less ironing and more time for relaxing. Available in crisp white or sophisticated grey.

Olivia Silver

This stunning design is sure to add a statement to your bedroom with its stylised hand painted flowers and simple spot reverse. The silver colourway is soft and sophisticated with a hint of blush pink and soft ochre.

Our best selling Olia bedlinen design is now also available in a variety of stunning colourways as well as fully lined curtains to match.

The background of the entire image is a teal color with a repeating pattern of white, hand-drawn, slightly irregular oval shapes. These ovals are arranged in horizontal rows, with some overlapping, creating a textured, woven appearance.

Arri Ocean

This simple mark-making design is bang on trend with its fresh colour palette and fully reversible design. It has a deep ocean blue on one side and a fresh aqua on the reverse.

Arri Monochrome

Our ever-popular mark making design has had an update for the latest seasons monochromatic trend. Its truly reversible design has a dramatic black and white larger scale print on one side and smaller scale spot to the reverse.
